A spokesperson for the Club said, "It was a long weekend of non-stop swimming action but Street swimmers more than held their own in both the level 1 and the level 3 meets, with some superb new PBs edging some of these swimmers in to contention to qualify for the Regional championships next month. It was a great meet and we thank Millfield for hosting with us, and a massive thank you must go out to all the volunteers who officiated and supported the event over the whole 4 days of

the Easter weekend. It was a truly exceptional effort, not least from our own meet co-ordinator Paul who pulled a lot of this together.”
